GLENFIELD COMMUNITY CENTRE INC. 2002

HISTORY

The Centre site, on the corner of Glenfield Road and Bentley Avenue has been owned by the Methodist Church since the early 1900's.

At the time the district was known as Mayfield but it was changed to Glenfield to avoid confusion with Mayfield in the South Island.

In 1915, the community and parish erected in one day a building to be used as a community Church.

Initially it was used as a church by many denominations until they established their individual places of worship. It also acted as a meeting place for the wider community.

In 1975 the co-operating Anglican/Methodist Parish of Glenfield, Greenhithe and Albany and a community group held a public meeting to discuss community needs.

In response to an expressed need for a Community Centre the Parish offered their site and the Church building for the community use.

Another small building was provided by the Takapuna City Council.

In 1981, a Youth Project building was established on the site also by the Takapuna City Council from Sport and Recreation funds.

After the original T.C.C. building was destroyed by fire, the Youth Project vacated their building and it became the Community Centre.

In the late 1980's a long term lease of the site was granted by the Parish and planning for a new purpose built Community Centre began.

The existing Centre was again destroyed by fire and replaced by the Council with a temporary building.

In early 1994 the new Centre was finished and occupied.

NORTH SHORE I IRRARIES

Glenfield Community Centre Incorporated Governance Group Chairperson's Report to the Annual General Meeting 2002

I am pleased to report that the past year has been a happy and productive one for the Community Centre. The various parts of the Centre have worked together to provide quality service to the many people who use our facilities. It is estimated that during the past year 'people visits' to the Centre, including the Beneficiary Project's Drop Inn and Shop, numbered **150,000**. This number demonstrates what an extraordinary benefit the Centre is to the local community.

There are many matters that have to be attended to in an organisation of this size and complexity, so I will report on some of the major issues of the past year.

25th Celebrations:

A highlight of this year occurred on May 1st when the Glenfield Community Centre marked 25 years of being an Incorporated Society. This means that it is actually more than 25 years since a group of people recognised that this community needed a gathering place to provide activities for its residents. Many of the people involved in the Society over the years attended the party we had. Elsie Tillett, one of the prime workers in the early years, and the Mayor of North Shore City, Mr George Wood, planted a totara tree to mark the occasion.

Centre use:

The use of the Centre has been increasing with more groups hiring rooms during the daytime, and the Chinese New Settlers having a regular booking for Saturday mornings, as well as an office here. The Project also has grown and increased the number of people enjoying our facilities. Glenfield College community classes were again held here after being absent for some years, and the Centre was one of the polling stations for the recent general elections. All this increased use swells our income – but also our expenses!

Staff:

We have an efficient and effective administrative team taking care of the day-to-day matters in the Centre. Nancy Zino-Williams continues as Administrator, while Christine Somervell is now our Accounts/Reception person, replacing Tina McGregor who left us to run her own business at a restful seaside resort. Joan McLean has now been with the Centre as a volunteer for 8 years and continues to be a fount of knowledge for us all. Thank you Joan for your loyalty to the Centre. This term the Creche has appointed two new staff members who maintain the high standard of care offered by the team to Glenfield Pre-schoolers and their parents.

After School Care and Holiday Programmes:

These again have offered top quality educational and social activities to primary age children. We are very fortunate to have as our supervisor, Jenni Brown, who inspires both the children and her staff to work creatively and harmoniously together.

At present the After School Care income is covering its expenses and it is viable for the Centre to continue to run it.

Development:

The work of the Centre has been enhanced by the acquisition of a new, more sophisticated photocopier. A new alarm and security system, and a more appropriate telephone system, have been installed to replace the original ones that were beginning to malfunction as they aged. Per courtesy of the Lion Foundation the courtyard has been upgraded and the new paving slabs and planter boxes are helping keep it looking smart.

The Centre, through its Administrator, has initiated the development of a network of people who work in the Glenfield area. The network encourages cooperation between groups and avoids duplication of services.

Finances: It is pleasing to note that the Centre again this year has kept within its budget. For this we pay tribute to our Administrator who has worked hard to keep expenditure within bounds. Thanks also to our accountant, Chas Bennett, and our auditor, Barry Goodin, who have ensured our financial affairs are in very good order. A full report is available in the audited accounts.

Parking:

The perpetual problem of parking is exacerbated by the increased use of the Centre. However, having official use of 5 parking spaces behind the Library for Creche and BAIS cars is helping ease the squeeze. The Glenfield Community Board has been asked whether the parking restriction on Glenfield Rd could be increased from 2 to 3 or 4 hours so that users might park there while in the Centre.

Maintenance:

The Governance Group this year commissioned Serco to prepare a maintenance review for the Centre. The report provides an overview of the general state of our buildings and gives details of the likely annual maintenance tasks, and their costs, for the next 10 years. Serco state that the property is "generally in above average condition for its age." The Centre has maintained the appearance of its offices by repainting them as tenants have changed.

When the corner of Glenfield Rd and Bentley Avenue was reconfigured in 2000 some of the survey pegs from our property were not reinstated by the developers. Finally, after much investigation and prompting, this has been done to our satisfaction. During this process it was discovered that the DP plans of this property, held by Land Information NZ, do not tally with the DP numbers on our rate demands. We have notified the owners of the land, the Methodist Church of NZ, of this fact and suggested they might attend to any work that needs to be done.

Early this year the gardens in the front of the Centre were given a face-lift by the North Shore City Council groundspersons. We'd really like them to visit us again soon and continue their good work!

Repairs:

It was a considerable shock for us to discover that the floors in most of the toilets in the Centre were rotten! The experts consulted about the problem concluded that it was caused by faulty plumbing at the time of construction. A constant leak from the cisterns with each flush had over seven years rotted the floors. Alliance Construction Ltd, the original contractors, made the necessary repairs. At present the Governance Group is taking a case to the Disputes Tribunal to recoup the charges Alliance Construction Ltd made for the repairs.

Governance Group:

In the past year the Governance Group has amicably and expertly dealt with many issues affecting the Centre. Between them the members have a wealth of experience and skill which they willingly use for the good of this community. This year to equip new members for becoming a member of the governing body of our society an Information Pack was provided containing a copy of the founding documents and Constitution of the Centre. As well, a planning meeting was held in February to strategise about the directions for the Centre. Members of the staff and Governance Group have also attended relevant courses and workshops to equip themselves for better serving our community.

This year marked the expiring of Plunket's contract to occupy space in the Centre. At present the Governance Group and Plunket are negotiating an appropriate legal way of having Plunket remain an integral part of the community here.

The Church Project approached the Governance Group seeking its support for an exploration of ways of meeting the Project's need for additional storage, workshop and office space. This support was given with the expectation that when further information is available there will be more dialogue.

Thanks:

On behalf of the Centre I say thank you to Heather Brown and John Keeble who for some years served as Council representatives on the Governance Group and now have moved to other duties. In their place we have Gerald Sharrock and David Thornton who both bring experience and willingness to work for the progress of the Centre.

I want to pay a particular tribute to two people who are retiring. To Malcolm Ogg, thank you for your conscientious work during your term as Deputy Chairperson, we are pleased you are continuing as our handyman. To Graham Cameron, thank you for your many years of sterling service to the Glenfield Community Centre. You have filled a number of roles, most recently as Deputy Chairperson, Licensee of the Creche, and Mr Fix it. Your knowledge and wisdom will be sorely missed. To all others leaving us, thank you for your willing participation in attending to the running of this Centre. We wish you all well in your future endeavours.

Conclusion:

I am proud to be involved in this Centre and the service it provides to our community. I look forward to the coming year working with a group of competent and dedicated people to fulfil our Principles, Philosophy, Purpose and Goals.

Winifred M Murray

CENTRE ADMINISTRATORS REPORT

The year 2001 to 2002 has been very challenging and diverse. The increased activity and diversity of user groups combined with improvements and upgrading of technology systems and the ongoing challenges with regards to the maintenance of the building has significantly increased my knowledge and skills.

The Glenfield Community Centre is unique in many ways. This Centre is owned by the Glenfield Community Centre Incorporated Society and is on land provided rent free to the Community by the Methodist Church, unlike other Community Centres which are situated on Council land and owned by the Council. Another aspect of the Centres uniqueness and on going success is the dedicated team on its Governance Board who understand the true meaning of Governance and steer the Centre on the correct path, in keeping with its Goals, Mission statement and Philosophy.

I would personally like to thank the Executive Committee this year, Winfred Murray, Malcolm Ogg and Jean Brookes for their dedication and commitment in attending the weekly meetings and the support and appreciation they constantly impart to me, which encourages me immensely.

One of the achievements I have accomplished in the last year is the setting up of a Glenfield Community Network Meeting together with the assistance of Helen Topliss from the Glenfield Community Activities Foundation. The meetings are held on the 2nd Friday of each month at the Centre. Positive comments I have received, from those that have attended the meetings are: "informative", "informal", "long overdue" and "a great opportunity to liase and share with other organisations in the Glenfield area".

The increase in revenue in this year's report is the result of team effort. I am only able to achieve and promote the Centre and deal with the day to day happenings because of the team we employ, the professionalism, knowledge and dedication of our Creche Supervisor Jenny Boyd and Jenni Brown our After School Care And School Holiday Programme Supervisor, Christine Somervell my assistant with her accounting and computer skills and our fountain of knowledge Joan Mclean. To all of you a special thanks not just for the good times but for the bad times as I have learnt from them.

I look forward to working with our established team and hope this next year is productive but not quite so challenging.

Nancy Zino-Williams Administrator.

CRECHE REPORT

The Creche are pleased that at the end of another year we can indeed feel confident to report that the families attending the Glenfield Community Centre Creche facility are receiving quality outcomes.

The Centre employs five staff members, three of whom hold an Early Childhood Certificate, and two hold practicing certificates. One staff member is well on her way to achieving her goal of a recognized Early Childhood Certificate. The Centre has made a commitment to provide quality staffing over and above minimum standards enabling our crèche to receive access to quality funding.

The Executive Group meets with the Crèche Supervisor on a weekly basis covering anything from reports, policies and repairs. This enables close liaison with Management and Creche, developing understanding, open communication and the promotion of 'good employer' relationships. Thus providing a supportive environment where Teachers feel their contributions are valued.

The Creche staff personally would like to thank Graham Cameron for holding the position of Licensee for the past two years. Graham has been committed to supporting the staff and crèche environment and responding promptly to our priorities.

The Board of Governance continues to receive the Supervisor and her reports with respect and open communication at the monthly meetings.

The NZ Educational Institutes, Early Childhood Development and the Ministry of Education believe that early childhood education should be provided in partnership between families and whanau, communities, staff and the Government representing the view of society. The emphasis increasingly is moving towards collaborative contribution – therefore the focus for the staff is developing and intensifying. Looking after our 240 children per week has become a wide responsibility and therefore reviewing and implementing plans becomes paramount to our service as we cover 336 sessions per year or 10,800 child visits.

We continue to be valued as a venue by various early childhood programmes and this year we have had seven student teachers. The local College also use our crèche as part of their childcare programme and Navi NZ continue to provide Japanese students for work experience in New Zealand.

The crèche continues to be well stocked, maintained and budgeted for. The Administrator and Accounts staff continue to respond and support the Creche, thank you.

As always we wish to thank all those families past and present who support us with their patronage. On a personal level, the crèche thrives because of the motivated, energetic, committed and professional team the Centre employs.

AUDIT REPORT

To the readers of the Financial Statements of the Glenfield Community Centre Inc.

I have audited the financial report included in the Annual Report of the Glenfield Community Centre Incorporated for the year ended 30 June 2002. The financial statements provide information about the past financial performance of the Centre and it's financial position as at 30 June 2002. This information is stated in accordance with the accounting policies set out.

Governance Group's responsibilities.

The Governance Group is responsible for the preparation of the financial statements which give a true and fair view of the financial position of the Glenfield Community Centre Incorporated as at 30 June 2002 and the results of it's operations for the year ended 30 June 2002.

Auditor's Responsibilities.

It is my responsibility to express an independent opinion on the financial statements presented by the Governance Group and report my opinion to you.

Basis of Opinion.

An audit includes examining, on a test basis, evidence relevant to the amounts and disclosures in the financial report. It also includes assessing:

- The significant estimates and judgements made by the Governance Group in the preparation of the financial report.
- Whether the accounting policies are appropriate to the Centre's circumstances, consistently applied and adequately disclosed.

I conducted my audit in accordance with generally accepted auditing standards in New Zealand. I planned and performed my audit so as to obtain all the information and explanations which I considered necessary. I obtained sufficient evidence to give reasonable assurance that the financial report is free from material misstatements, whether caused by fraud or error. In forming my opinion I also evaluated the overall adequacy of the presentation of information in the financial statements. Other than in my capacity as auditor, I have no relationship with or interest in the Glenfield Community Centre.

Unqualified Opinion.

I have obtained all the information and explanations I have required. In my opinion:

- Proper accounting records have been kept by the Governance Group as far as appears from my examination of its records.
- The financial reports comply with generally accepted accounting practice.
- The financial report gives a true and fair view of the financial position of the Glenfield Community Centre as at 30 June 2002 and the results of its operations for the year ended at that date.

My audit was completed on 20 August 2002 and my unqualified opinion is expressed as at that date.

B.C.Goodin, ACA, ACIS, ANZIM.

20 August 2002.

ACCOUNTING POLICIES AND NOTES TO THE ACCOUNTS

For the year ended 30 June 2002

Note 1: Statement of Accounting Policies

Measurement Base

The measurement method is historical cost. Reliance has been placed on the fact that the Glenfield Community Centre is a going concern. Accrual accounting is used to match expenses and revenues.

Differential Reporting

The Community Centre is a qualifying entity under the framework for differential reporting issued by the Institute of Chartered Accountants of New Zealand. As at balance date the entity has no public accountability and was also considered not large, the entity has taken advantage of the reporting exemptions available within the Differential Reporting Framework.

Taxation

Glenfield Community Centre is a charitable organisation and is exempt from income tax.

Particular Accounting Policies.

Accounts Receivable

Accounts Receivables are shown at their expected realisable value.

Fixed Assets

Fixed Assets are stated at cost less accumulated depreciation.

Category	Cost	Accum. Depn.	Book Value 2002	Book Value 2001
Buildings	920,839	55,136	865,703	882,999
Office Equipment	19,104	8,147	10,957	5,632
Creche Outdoor Equip	3,902	1,177	2,725	1,551
Creche Indoor Equip	1,941	807	1,134	1,113
Furniture & Fittings	117,918	31,030	86,888	94,340
Totals	1,063,704	96,297	967,407	985,635

Land

The Community Centre has a long term non-commercial lease over the land on which the building is sited.

Depreciation

The building has been depreciated so as to expense its cost on a straight line basis. All other fixed assets have been depreciated on a diminishing value basis.

GST

The Community Centre is registered for GST. Hence the financial reports are shown GST exclusive, with the exception of accounts receivables and accounts payable which are stated with GST included.

Changes in Accounting Policies

There have been no changes in accounting policies, which have been applied on a basis consistent with those used in the previous year.

Note 2: \$26,367.94 Debtors

Included in the debtors figure is an invoiced amount of \$11,333.95 to Alliance Construction Ltd. This is a debt in dispute and remains unresolved until heard in the small claims tribunal. Until an outcome is known, the disputed amount is shown as a doubtful debt.

Note 3: \$8,878.00 Grants Received for Specific Assets

Successful applications for Grants were received from the following organisations for asset purchases:

ASB Charitable Trust - Photocopier
Lions Foundation - Courtyard Lawn
\$7,742.00
\$1,136.00
\$8,878.00
