Centrelines Newsletter

Welcome to the Glenfield Community Centre

We are a friendly, not-for-profit Incorporated Society community hub on Auckland's North Shore offering affordable room hire, community and business activities, educational, social and active classes, together with a well-respected and WINZ-approved Early Learning Centre.

The purpose of our Centre

Is to recognise and respond to the social, cultural, recreational and educational needs of the community and to find ways to meet these needs.

If you can't find what you are looking for

on the pages within, why not start a group? Do you, or anyone you know need a room for your regular meetings or activities? Do you have a skill you could offer the community but just need assistance in putting something together? We would currently like to add further social/physical activities to our list.

Rooms of all sizes

We have spaces ranging in size from small offices for two-three people to our Mission Hall which will accommodate up to 65-100 persons. See our room hire page for our Rate Card and configurations.

Community is at our Centre

And we would really like to see more of you and offer more to you. Please talk to us.
